spread over fifteen of the country's twenty eight states india's maoist movement is now one of the world's biggest and most sophisticated extreme left movements hardly a week passes without people dying in strikes and counter strikes by the maoists interchangeably known as the naxalites and the police and paramilitary forces in this brilliant and sobering examination of the other india sudeep chakravarti combines reportage political analysis and individual case histories as he takes us to the heart of maoist zones in the country areas of extreme destitution bad governance and perpetual war

compilation of political history extensive interviews and individual case histories as the author travels to the heart of maoist zones of india

role and participation of tribals in naxal movement is about the situational analysis of southern part of orissa this is an empirical study to know the factors responsible for the participation the naxal menace remained a serious concern for the government for the past ten to fifteen years interestingly to note that this movement is growing its tentacles in the tribal areas in various forms

the movement has changed its style character and ideology in the past three decades but as a result of fear it has been a major obstacle for development the tribal areas of south orissa have been militrazied in the past five years the research studied the causes and what could be the possible solutions the research has been presented in 12 chapters in total

the rise of maoism as one of the organized political movement in india is the outcome of a historical situation both colonialism and the failure of the indian state to implement land reforms more stringently in the aftermath of independence resulted in terrible sufferings of the marginalized land dependent sections of society through historical analysis this book assesses the ideological articulation of the contemporary ultra left movement in india including maoism which is expanding gradually in india the author provides answers to the following issues is maoism reflective of the growing disenchantment of the people in the affected areas with the state is it a comment on the distorted development planning pursued by the indian state is this an outcome of the processes of deepening of democracy in india using orissa as a case study the book raises questions on india s development strategy the author argues that maoism provides critical inputs for an alternative paradigm for development relevant for transitional societies and that it is a still a powerful ideology for the poorer parts of the world although its ideological appeal has declined internationally

india founded as a result of the united kingdom s withdrawal from the indian subcontinent in 1947 and the people s republic of china prc established by the leadership of the victor mao of chinese civil war in 1949 were forced to face the fact that borders between india and prc in the himalayas were not demarcated as india took over the british heritage in the area border problems that had been pushed into the background due to conjunctural developments resurfaced having embraced the idea of ancient china by mao s prc a hard to overcome psychological barrier was created between two countries led to a vortex of crises stemming from the border dispute prc and india fought in 1962 because of this problem and had a limited armed conflict in 1967 after a small scale armed conflict in 1975 two nuclear weapons states proceeded to mitigate risks of unintended small scale armed conflicts or crises turning into a full scale war within this framework due to protocols signed in accordance with parleys started in the 1980s neither firearms nor bladed articles were used during the border crises since 1975 to this day and there were no casualties until june 15 2020 galwan valley unique clash diplomatic negotiations held after this clash did not provide a road map to end the crisis normalization in galwan valley could only be achieved through the mid of february 2021 with the help of global developments although troops were withdrawn from the disputed parts of galwan valley parties could not come to an agreement on other regions as the snow melted the armies of both countries reinforced their borders after the 2020 clash in spite of messaging each other through media proxies and allies both countries did not budge from their claims on borders there are no implications of change on both parties classical discourse and strategical objectives on the contrary both countries are even more honed against each other the himalayas the hot front of the new cold war is still a conflict zone the biggest impediment to a new crisis in this region is the coronavirus pandemic as the regional and global competition of two emerging countries continue the prc seems to be getting the upper hand by tackling the coronavirus pandemic and impelling its economy

by acquiring russian federation s support the prc has been challenging quad alliance on several fronts and india in the himalayas as well nevertheless the hurricanes of tides that will face the prc after the pandemic are still being sown both by the west and quad alliance the border dispute between the prc and india is the most heated front of the cold war whose groundwork has been laid and probably in the following period the first spark will be lit in the himalayas

since the 1950s china and india have been locked in a monumental battle for geopolitical supremacy chinese interest in the ethnic insurgencies in northeastern india the still unresolved issue of the mc mahon line the border established by the british imperial government and competition for strategic access to the indian ocean have given rise to tense gamesmanship political intrigue and rivalry between the two asian giants former far eastern economic review correspondent bertil lintner has drawn from his extensive personal interviews with insurgency leaders and civilians in remote tribal areas in northeastern india newly declassified intelligence reports and his many years of firsthand experience in asia to chronicle this ongoing struggle his history of the great game east is the first significant account of a regional conflict which has led to open warfare on several occasions most notably the sino india border war of 1962 and will have a major impact on global affairs in the decades ahead

this volume of case studies examines the rise in violent extremism terrorism and insurgency in south and south east asia and subsequent state responses the south and south east of asia has experienced various forms of extremism and violence for years with a growing demand for academic or policy relevant work that will enhance understanding of the reasons behind this the violent challenges in this area have taken a variety of forms and are often exacerbated by lack of governance tie ins to existing regional criminal networks colonial legacies and a presence of international terrorist movements written by experts with field experience this volume analyzes the key element of successful response as the appropriate application of doctrine following nuanced assessment of threat in practice this often means counterinsurgency doctrine the essays also analyze the need for irregular war practitioners to systematically examine the changing character of intrastate violent irregular challenges the volume fills a gap in the understanding of patterns drivers organizations and ideologies of various insurgent and terrorist groups and state responses it also provides a set of recommendations for addressing the unfolding situation this book will be of much interest to students of terrorism and political violence counterinsurgency and counterterrorism asian politics and security studies in general

praful bidwai s analysis and conclusions compel serious engagement both by academics and political leaders k n panikkar bidwai s assessments will undoubtedly trigger further discussion romila thapar praful raises the right questions and is scrupulously fair susan george india still has a significant and relatively powerful communist movement in spite of the massive setbacks communist parties have suffered in and since the 2014 national elections and their general decline during the past decade the indian left is a significant component of the political spectrum it is represented in virtually every state in the form of trade unions peasant associations women s organizations and student unions and in state legislatures municipal bodies and village councils

the phoenix moment seeks to understand how a communist movement almost unique within the world's capitalist democracies flourished for so long in India and what accounts for its initially gradual and then rapid decline. It also asks how far and in what manner the left has accomplished its goals, whether it could have achieved more, and what its future prospects are. Crucially, political analyst Praful Bidwai investigates whether the left's core agenda of progressive or socialist transformation can yet be reinvented and restored to relevance either with its own agency or through other force formations and initiatives. Given the paucity of analytical literature on the mainstream left at the national level, Bidwai's timely and deeply insightful book fills a crucial void.

a study of the genesis, growth, and decline of a communist movement 1967-1972

on the activities of an Indian militant leftist party in West Bengal

This is likewise one of the factors by obtaining the soft documents of this **Red Sun Travels In Naxalite Country** by online. You might not require more era to spend to go to the ebook inauguration as capably as search for them.
